

MINUTES ARE NOT VERBATIM

**EGLIN INSTALLATION GROWTH COMMITTEE
GROWTH MANAGEMENT PLAN KICK-OFF MEETING
JUNE 18, 2008**

MINUTES

The Eglin Installation Growth Committee meeting was held June 18, 2008 at 9:00 a.m. in the Okaloosa County Water & Sewer Building, 1804 Lewis Turner Blvd., 3rd floor large conference room. Attendee list is provided below (attachment 1).

Jeff Fanto, the County's Growth Project Coordinator, called the meeting to order and thanked everyone for attending. He then introduced Chairman James Campbell for his welcome remarks.

Chairman Campbell also thanked everyone for attending, for their interest and participation on the Eglin Installation Growth Committee. He was looking forward to the consultants getting started on this very important study.

Jeff Fanto then introduced Bob Kellner, Vice President of HDR Engineering, Inc. who is the lead for the study effort.

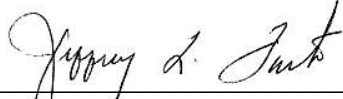

Bob Kellner gave introductory remarks and thanked the County for this opportunity. He said his company's goal was to create a dynamic document to be used, not just another study to sit on a shelf. He was looking forward to this relationship between his firm and everyone involved in this effort. He then introduced Joe Ehardt, project manager, who presented the overview briefing.

Joe Ehardt thanked everyone for their attendance. He presented a briefing (attachment 2) that highlighted the plan elements and the Element Task Leaders charged with the responsibility for successfully completing this project.

A question and answer period followed.

The meeting was adjourned at approximately 10:30 a.m.
