Uninc. Okaloosa County	√			√	√	√						√	√	√	√	√	√	75-210'	√	√		√	<p>NW FL Region's Major Natural Conservation Corridors are designated for conservation in NW FL Region's Sustainable Growth Plan adopted by the FL Legislature. These resources should also include the Shoal River Floodway located NW of Duke Field & extends due E. in front of the Field's APZ II. The JLUS participating governments support acquisition of these lands to conserve lasting habitats and prevent encroachment.</p>
